FirstHome Destination Drive Phase 2 to Launch This Saturday!

This post was updated May 6th at 11:12am and now includes photos of the action yesterday at Destination Drive Phase 2!

It's official: The newest project in the [Daniels Corporation's](#) wildly popular FirstHome series, [Destination Drive Phase 2](#) in Erin Mills, launches Saturday, May 7th at 8:00am.

The preview week started yesterday and thousands of prospective buyers will tour a model of each home design before the first come, first served sales start on Saturday morning.

As one of the unique aspects of the FirstHome communities, all homes are fully built, with 30, 60 and 90-day move-ins. The 148 condominium suites and townhomes at [Destination Drive Phase 2](#) start at \$145,900.

Let the lineups begin!

Preview week!

As a bit of background on the Daniels FirstHome program, it combines an achievable deposit structure, incentive-driven low monthly carrying costs, and partnerships with financial institutions to make qualifying for a mortgage more accessible, so that individuals, couples, and families from all walks of life can better get a foothold in the housing industry. As we mentioned earlier, units are built before sale, allowing purchasers to experience their actual home before buying - ensuring a good fit between lifestyle and unit.

It's set to be a busy, happy weekend in Mississauga!
